

EXPLORE - GAIN INSIGHT - LEARN

educational sessions for you and your community

Our trainings are created for professionals in advocacy and law enforcement, legal and judiciary positions. With a focus on professionals in legal related fields, they provide best practices, practical approaches and legal training surrounding issues with domestic violence, sexual assault, stalking, elder abuse and human trafficking. Additionally, the trainings offer guidance and education in identifying potential victims, providing them with trauma informed assistance and developing a coordinated community response.
