

Dear Class of 2011 Graduates:

We are reaching out to see if you need any assistance in your job search or if you are currently employed somewhere, in some capacity (full-time, part-time, legal or non-legal). In either case, we are asking each graduate to complete an easy, online employment survey necessary for us to report to NALP (the National Association for Law Placement), the ABA and US News.

Please click [HERE](#) to complete the employment survey form.

The responses provided in the survey will not be submitted to NALP directly and will not include any information identifying you as an individual. Moreover, you can be certain that NALP treats all information in a highly confidential manner as is any information received by our office. Please complete the survey even if you are not currently employed or not employed in the job of your choice; we need to account for ALL graduates.

If your employment status changes between now and February 15th, PLEASE contact our office at 914-422-4217 or email me at rlittman@law.pace.edu.

We understand the challenges many of you may be facing in this economic climate. We are dedicated to helping each of you reach your career goals. If you are still looking for employment and would like to speak with a counselor, or have your resume included in our resume book viewable only by employers, or be added to our proprietary email list of job leads, then email Diane Fennell at dfennell@law.pace.edu.

Thank you for completing the survey and please let us know if we can help you.

Kind regards,

Dean Littman
