Making a Difference
Annual Benefit Dinner and Silent Auction

Thursday, October 18, 2012
Abigail Kirsch at Tappan Hill
Tarrytown, NY
Dear Friends,

Welcome to the Pace Women’s Justice Center’s annual “Making a Difference” Benefit Dinner and Silent Auction. Thank you for your support for this wonderful evening and for your continued support of our efforts to continue our vital work of promoting justice for women.

The Dinner and Auction are our biggest fundraiser of the year, and in these challenging economic times, we need your support more than ever. It is only through your generosity that we can maintain the level of programming we have now, for we are experiencing drastic budget cuts. The Center has been at the forefront of providing legal services and education to improve the lives of domestic violence and elder victims and survivors in our community. Your contribution is essential to the Center’s ability to hold steadfast to our mission to end violence against women.

Thank you for joining with us as we face these financial challenges and strive to help so many people in need. We can only do this with your support!

As you scan this scrumptious catalog, please dig deep into your hearts and shop ‘til you drop! Your purchases ensure that:

- A domestic violence survivor or victim of elder abuse does not have to face an abuser alone in court without legal representation;
- Our Legal Helpline can provide legal information and referrals to over 2500 callers a year;
- A domestic violence survivor who we represented in our Family Court Legal Program can say, “I feel like my children will be protected. Now I can sleep at night knowing that we will be safe!”

There are bargains on every page of this catalog, whatever you fancy. From dining to entertainment, sports to shopping sprees, you’ll surely find the perfect gift for yourself or a friend. The impact of the funds you generate this evening is far-reaching and deeply appreciated. We trust you will have lots of fun!

The Auction Committee

Pace Women’s Justice Center is grateful for the generosity of the merchants and individuals who have made this Silent Auction possible! We are extremely grateful to the Auction Committee for their hard work! Thank you!
Auction Guidelines

1. The Silent Auction begins at 6:00 p.m. and ends at 8:10 p.m. An announcement will be made 10 minutes prior to the closing of the Auction reminding all bidders that the Auction will be ending at 8:10 pm, at which time all bidding will cease.

2. Bid sheets are displayed next to each item. Each bidder must clearly print/sign his or her name, bid number and bid amount.

3. All starting bids must be equal to or higher than the minimum bid stated on each sheet. Each new bid must be written in round dollar amounts. The minimum incremental bid is $10.00 except where otherwise noted.

4. Bids may not be withdrawn.

5. All bids are binding and the highest bidder will win the service or item. If the highest bidder cannot be reached, the winner will be the next highest bidder. Successful bidders are urged to pick up items immediately following the auction. For items that cannot be taken that evening, arrangements must be made to schedule a future date. Please call Janet Murphy at the Pace Women’s Justice Center at (914) 422-4069.

6. Every effort has been made to accurately describe the auction items. However, all items are sold “as is” and “where is” without warranty or representation of any kind as to the correctness of description, condition, quality or fitness for any purpose.

7. Donors and bidders expressly realize and agree that the Pace Women’s Justice Center and/or members of the Auction Committee will in no way be liable for any claim arising from the use or failure to use or to deliver the property or services donated and will hold the Pace Women’s Justice Center and such persons free from any claim and damage.

8. We advise you to consult with your personal tax advisor regarding the deductibility of contributions or purchased auction items. The amount of your payment that is deductible for federal income tax purposes is limited to the excess of your successful bid over the retail value of the merchandise purchased. Retail value for tangible goods and services has been provided by the donors, and is printed in this program. However, some goods and services do not have a readily ascertainable value. In the absence of such an estimated fair market value, it is possible that the IRS will consider the purchase price to be the fair market value, and there may be no allowable charitable deduction.

9. New York State or local sales taxes are not applicable to these purchases.

No exceptions to the above rules will be made
The pace Women’s Justice Center is not responsible and will not refund the cost of gift certificates that are lost or misplaced or not used within the specified date
