

Anthony Pirrotti, Jr. Esq.

Anthony Pirrotti, Jr. is the Trial Attorney of this Law Firm and spearheads our litigation concerning Personal Injury (incidents/accidents concerning: construction, automobile and slip/trip and fall), Medical Malpractice, Wrongful Death, and Products Liability, as well as significant Contract Dispute Litigation.

Anthony is 56 years old and his overall success in Personal Injury, Medical Malpractice and Products Liability cases is better than 95% for more than 30 years, earning for his clients more than \$124,000,000.00 in approved settlements and verdicts! These statistics are even more impressive given the fact that a majority of Personal Injury cases and Medical Malpractice cases, brought in most counties, result in defense verdicts or dismissals.

In 2007, 2010-2020, Anthony was selected for inclusion in New York – Metro Super Lawyers® (only 5% of New York Metro attorneys were selected) and in 2012-2020 Super Lawyers® Top 25 in Westchester, as published in New York Times Magazine, Westchester Magazine and NY Super Lawyers® Metro Edition.

Anthony was also selected to serve as the Affiliate President of the New York State Trial Lawyers Association (“NYSTLA”), Westchester Region, from 2011-2021. His significant involvement with NYSTLA, its 3,000+ members and in teaching Attorneys many times per year at Continuing Legal Education courses, lead to Anthony being on the Executive Board and appointed as one of ten “Deans” of NYSTLA 2015-2021.

Anthony is passionate about sharing and educating other Lawyers and Law Students to be the best they can be. He was bestowed the Honor and Privilege to be a Co-Chair of the “Gary Pillersdorf’s Advanced Bootcamp for Lawyers” since 2018. Mr. Pillersdorf was one of the Best Trial Lawyers in the Nation. Additionally, Anthony has taught Continuing Legal Education courses for New York State Trial Lawyers Association, Pace Law School, Westchester County Bar Association and New York State Bar Association. Several times a year, Anthony devotes time to teaching Lawyers Trial Practice in Personal Injury and Medical Malpractice cases, and annually educates Lawyers Statewide on the latest case law concerning “Pleadings & Filings”.

Anthony is a Dean's List graduate of the State University of New York at Albany with a Bachelor of Arts degree; holds a Juris Doctor degree from Pace University Law School since 1990 (and is one of about thirty-one members of the School's "Board of Visitors"); and was one of the first Americans to serve as a Marshal to a High Court Judge of the Royal Courts of Justice in England. Anthony was a Trial Attorney in defense litigation from 1990 to 1993 in all five boroughs of New York City. He received a Diploma from the National Institute for Trial Advocacy in 1992. He also served as an International Moot Court Arbitrator in Vienna, Austria in April, 1997.

You, as a client, will not be passed off to some other law firm to try your case, like many Personal Injury law firms do. Anthony has the reputation of being a "superior advocate" and excellent Trial Attorney, as evidenced by his numerous successful jury verdicts and settlements. The clients of Pirrotti & Glatt Law Firm PLLC can trust in the fact that Anthony will be the Trial Lawyer on their case and that the firm's Partners, Associates and employees are all seasoned Professionals in Law. Anthony is proud to state that the overall team effort is what causes great results for the firm's clients, not one singular person.

Anthony is admitted to practice law in New York State Courts, the Southern and Eastern Federal District Courts, and the Supreme Court of the United States, in Washington, D.C. He is a member of the New York State Trial Lawyers Association (NYSTLA), Westchester County Bar Association, Columbian (Italian) Lawyers Association, Westchester Black Bar Association, and American Association for Justice.
