ARE YOU COMPETING IN THE VIS MOOT?
If so, now it is possible to gain a solid grounding in the basic subject matter of the Moot by enrolling in Vis Moot Boot Camp. This innovative program from Pace Law School’s Institute for International Commercial Law and taught by Professor Jack Graves (Touro Law Center, New York) leverages technology to provide training and opportunities for teams around the world, thereby levelizing the playing field and optimizing the Vis Moot experience for all competitors.

LEARN WHAT YOU NEED TO KNOW
The course covers (1) international commercial arbitration under the UNCITRAL Model Law and New York Convention; (2) the basic rules of private international law applicable to contracts; (3) the basic elements of an international sale of goods transaction; and (4) the UN Convention on Contracts for the International Sale of Goods (the “CISG”).

As a participant, you:

• Attend five live weekly class meetings online, 2 hours each, beginning Sunday, September 8, 2013 at noon EDT, and concluding on Sunday, October 6, 2013 (two days after distribution of the Moot Problem)
• Have access to multiple “on demand” videos addressing key aspects of the course content
• Get online access to the authoritative course text, the standard in the industry: International Sales Law & Arbitration, by Jack Graves and Joseph Morrissey

LOW COST OF PARTICIPATION
• $95 per participant
• $395 per team when paid directly by the institution (maximum of 10 students)

Program tuition is geared to make it accessible to most prospective Vis Moot participants. The organizers realize, however, that the fee still may be out of reach for students in some parts of the world. If you are interested, but the cost precludes your participation, please contact us regarding tuition assistance.

ABOUT THE LECTURER
Professor Graves has taught commercial law and arbitration (domestic U.S. and international) at both Stetson University College of Law and Touro Law Center. His original course, from which this online version was adapted, produced three teams on the final stage in Vienna (Stetson, 1st place 2005, Stetson, 2nd place 2006, and Touro, 2nd place 2008), along with many other teams making the elimination rounds in both Vienna and Hong Kong. Professor Graves has also practiced what he teaches. He previously served as president of an international business engaged in the design, manufacture and sale of goods.

WORLD CLASS LEARNING – NO PASSPORT REQUIRED

VIS MOOT ‘BOOT CAMP’
An Online Crash Course on International Sales Law & Arbitration from IICL

“The key value of the course is the opportunity to gain a broad overview of the relevant subject matter before delving much more deeply into the narrow issues raised by the Moot Problem.”

Professor Jack Graves
Touro Law Center
New York, USA
