

Ralph Willmer, FAICP, NCICS, is a Senior Planner/Project Manager with Vanasse Hangen Brustlin, Inc. based in Watertown, MA. He provides unparalleled, award-winning experience in community master planning. His understanding of land use, open space and recreation, and affordable housing plans, in addition to his zoning and environmental planning proficiency, has provided him with the expertise necessary to assist municipalities and drive the planning and implementation process. He has been a member of the American Institute of Certified Planners (AICP) since 1993, and in 2010 was inducted to the AICP College of Fellows in recognition of the significant contributions he has made to planning, the profession, and society. He has served as the Massachusetts Chapter President and as a member of the National Board of Directors of APA. In addition, Mr. Willmer holds a certificate from the National Charrette Institute as a NCI Charrette System planner. He has won numerous awards for his work from the American Planning Association (APA) and its chapters. Mr. Willmer received his B.S. in Environmental and Resources Management from the State University of New York College of Environmental Science and Forestry in Syracuse, NY and his M.A. in Urban and Environmental Policy from Tufts University in Medford, MA.
