

John Gauthier, P.E.

Town of Greece

John Gauthier is an Associate Engineer/acting Town Engineer with the Town of Greece DPW and Community Rating System (CRS) coordinator. He has been employed by The Town of Greece for the past 19 years. He holds a Bachelor of Science in Civil Engineering from the University of Detroit, Master of Science in Civil Engineering from Wayne State University and a Juris Doctor degree from Detroit College of Law (now Michigan State University). John is Professional Engineer, Member of the NYS Bar, and a Certified Floodplain Manager (CFM). His professional focus is sustainable development, environmental regulatory compliance, and hydrologic analysis. He designs and operates major stormwater management projects. He is the current regional Director for the New York State Floodplain and Stormwater Managers Association, a member of American Society of Civil Engineers and the American Bar Association and the New York State Bar Association. Prior to joining the Town, he was employed by the Army Corps of Engineers, The NYSDEC and several Rochester Area Consulting firms.
