

Garrett Duquesne, AICP

Town of Greenburgh

Garrett Duquesne, AICP, is the Commissioner of the Department of Community Development and Conservation (aka Planning Commissioner) for the Town of Greenburgh. He has worked for the Town since 2008 and has been Commissioner since 2014. Garrett authored the Town's 2016 Comprehensive Plan, Four Corners Redevelopment Plan (2019), Sidewalk Prioritization Report (2020), and Greenburgh Against Systemic Racism Report (2022). He has overseen numerous local law processes (Planned Economic Development District – which facilitated over 1,000,000 sq. ft. of Regeneron expansion [ongoing]; Battery Energy Storage Systems; Mixed-Use Corridor updates, etc.). Garrett has directly secured over \$10 million in grants for the Town of Greenburgh leading to transportation improvements, historic preservation improvements, Electric Vehicles and infrastructure, etc. He holds a Masters in Regional Planning from U-Albany.
