

Leslie J. Snyder

Snyder & Snyder, LLP

Leslie J. Snyder is the Managing Partner of Snyder & Snyder, LLP and leads the firm's Real Estate Transactional practice. Leslie graduated summa cum laude from the Wharton School of Business of the University of Pennsylvania and holds a J.D. from the New York University School of Law. Leslie has over 30 years of experience negotiating leases and purchase and sale agreements for public utility infrastructure including wireless communication facilities, battery storage systems, solar energy facilities, data centers, mobile switching centers and electrical substations. Leslie also successfully guides clients through the land use development and permitting process for projects throughout the region including Long Island, New York City, Westchester and the greater Hudson Valley. Leslie is consistently named a New York Metro Super Lawyer for her experience in real estate and public utility development. In 2021, Leslie was recognized by *City and State New York* as one of 40 leading women in New York working towards a fairer future. Leslie currently serves as a director of the New York State Wireless Association and the Westchester Municipal Planning Federation. She is also a member of the Westchester Women's Bar Association, the New York State Bar Association, and the New York City Bar Association. Leslie frequently lectures on real estate development and related zoning and environmental issues throughout New York State.
