ENVIRONMENTAL LAW MOOT COURT COMPETITION**

**2022 OFFICIAL RULES FOR VIRTUAL COMPETITION  
as of November 1, 2021**

The following represent the official rules of The Jeffrey G. Miller National Environmental Law Moot Court Competition (“Rules”).

**RULE I. ORGANIZATION OF THE NATIONAL ENVIRONMENTAL LAW MOOT COURT COMPETITION**

The Jeffrey G. Miller National Environmental Law Moot Court Competition (“Competition”) is an annual inter-law school appellate moot court Competition sponsored by the Elisabeth Haub School of Law at Pace University (“Pace”). The purpose of the Competition is to develop expertise in environmental law appellate advocacy. The Competition is coordinated by the National Environmental Law Moot Court Board (“Board”), which is composed of Pace Law students their faculty and staff advisors at the Elisabeth Haub School of Law at Pace UniversityPace.

**RULE II. THE PROBLEM**

The Problem is prepared by the Board and provided to each Team for its use in preparing for participation in the Competition.

- A. Use of Problem for other than the Competition.** Schools may not use the current Problem for intramural runoff competitions or other academic purposes for the current year’s Competition; they may, however, use past Problems. Schools may use the current Problem, after completion of the National Environmental Law Moot Court Competition, for intramural competitions or other academic purposes, with appropriate attribution to Pace Law School.
- B. Questions about the Problem.** The Board will accept questions relevant to the Problem until the deadline specified in the Fact Sheet (October 26, 2021).

**RULE III. THE TEAMS**

- A. Number and composition of Teams.** Each school may enter only one team (“Team”). The Team shall be composed of two or three law students, all of whom must be registered current law students seeking a *Juris Doctor* degree and in good standing at their respective schools at the time of brief writing and oral argument. There are to be no alternate Team members. Each Team member must argue in at least one preliminary round.

**THE JEFFREY G. MILLER NATIONAL  
ENVIRONMENTAL LAW MOOT COURT COMPETITION**

- B. Substitution or addition of Team members.** There shall be no substitution or addition of Team members after the release date of the Problem, except for extreme hardship upon written permission of the Board. The Board recognizes that some schools may not have constituted a team by the release date of the Problem (on or about October 5, 2021). In this instance, Rule III (B) applies as soon as the team is constituted by October 26, 2021.
- C. Team numbers.** Upon registration, each Team will be assigned a Team number. This number should be referenced in any correspondence with the Board. To preserve anonymity, the Team number will be used during the Competition and Teams may not reveal their schools to the judges. Points will be deducted for noncompliance with this rule during the competition.

**RULE IV. THE BRIEFS**

- A. General.** Each Team may write only one brief. The Team may choose which side to argue for the brief, but will argue all sides of the Problem during the Competition’s preliminary rounds. Only the members of the Team who will actually be arguing may participate in writing the brief. The use of the work product of any person other than a Team member to prepare the brief is strictly prohibited. Work product does not include materials of the type generally used by attorneys to prepare briefs and that are available for public use. “Available for public use” means accessible without privilege or reliance on a personal connection unique to the Team or Team member. \*\* See schedule on page 8 for side distribution.
- B. Length and form of briefs.** Each team is required to email PDFs of both a Measuring Brief and Non-Measuring Brief as specified in Rule IV (C). The format should read exactly as follows (points will be deducted for non-compliance).

### B. Preliminary rounds.

1. **Time and place.** All preliminary, quarterfinal, and semifinal rounds will be held online. The final round will be held virtually on Zoom Saturday, February 26, 2022 at 1:30PM EST.
2. **Number of arguments.** Each Team will argue in three preliminary rounds; each Team will argue a different party position each round. At the conclusion of the three preliminary rounds, the twenty-seven Teams with the highest total preliminary scores<sup>4</sup> shall advance to the quarterfinal rounds.
3. **Ties.** Ties shall be broken in favor of the Team that has the highest aggregate point differences over its opponents in the three preliminary rounds.<sup>5</sup> In the event that tying Teams have the same aggregate point difference over their opponents, the tie shall be broken in favor of the Team having the higher brief score.
4. **Byes, assignment of Teams for arguments.** Byes,<sup>6</sup> if any, Team grouping, and party shall be randomly selected, except as qualified by Rule V (B)(2). No Team shall draw more than one bye during the preliminary rounds. Assignment for successive arguments shall be announced as soon as reasonably practicable following the completion of the preceding round.

### C. Final rounds.

<sup>4</sup> Total preliminary scores shall be computed as follows: The brief score shall constitute forty percent (40%) of the total preliminary score. The combined score of the preliminary rounds shall constitute sixty percent (60%) of the total preliminary score (twenty percent (20%) for each of the three (3) rounds). The score each Team member receives in each preliminary round shall constitute fifty percent (50%) of that preliminary round score, which is ten percent (10%) of the total preliminary score.

<sup>5</sup> Aggregate point differences shall be computed in the manner illustrated by the following example: If Team A defeated its closest first round opponent by a score of 80-75 and lost its second argument to the winning Team by a score of 78-80 and lost the third round to the winning Team by a score of 82-83, its aggregate point difference for the three rounds is +2 points (i.e., the net of the +5 point difference in its first argument, the -2 point difference in its second argument, and a -1 point difference in its third argument).

<sup>6</sup> Any Team that draws a bye shall have its total preliminary score computed as follows: The brief score shall constitute forty percent (40%) of the total preliminary score. The score for each preliminary round shall constitute thirty percent (30%) of the total preliminary score. Otherwise, scoring shall be the same as described in Rule V (B).

advance to the semifinal round of the Competition. The best Team from each trio in the semifinal round will be selected by the judges based on the oral argument and will advance to the final round of the Competition on February 26, 2022.

### **D. Order, timing, and results of arguments.**

1. **Participants.** Any two members of a Team may participate in any argument, but two members must participate in each argument. In the case of three-member Teams, each member must argue at least once during the preliminary rounds. Each Team must address all the issues in the arguments, dividing them among the two Team participants in any way it chooses, and determine the order of issues argued. A Team member not participating in an argument may be of counsel. It is highly encouraged that Teams have three members.
2. **Time allowed for arguments.** Oral argument shall be limited to a total of thirty (30) minutes per Team, fifteen (15) minutes for each Team member, except as discussed below. Judges, at their discretion, may interrupt arguments to ask questions but may not allow additional time. Each party, by advance notification to the judges and bailiff, may reserve up to five (5) minutes for rebuttal. Additionally, the first team member to argue must request rebuttal time from the judges. Rebuttal time may be subtracted from either or both of the two arguing Team members' time allotment. (Example: Team Member #1 may argue for 14 minutes, Team Member #2 may argue for 13 minutes, thus reserving a total of 3 minutes for rebuttal by one Team Member).

Only one Team member may rebut. If the first Team member to argue fails to designate from whose argument the rebuttal time will be deducted, the time will be automatically subtracted from the first Team Member. The official time of the round is the time indicated by the bailiff. No one other than the bailiff may display timecards or signal to the oralist how much time is left. Teams may use silent digital or analog watches, but no smart watches.

3. **Results.** The Best Oralist for each courtroom in the preliminary rounds will be announced by the judges. The Best Oralist of the combined preliminary rounds will be announced by the Board after the conclusion of the rounds and must have argued in two of the three rounds to qualify. The scores for each team will not be announced, but shall be determined by the judges without knowledge of the brief score, and shall be arithmetically weighed and combined with the brief score by the Board under the formula described in Rule V (A) and (B) with scores computed to decimals or fractional points, as necessary, to determine the twenty-seven schools which will advance to the quarterfinal round. The winning Teams for the quarterfinal, semifinal and final rounds will be announced by the Board at the conclusion of each round. A single listing of all final brief scores and final overall scores after the preliminary rounds will be sent to participating Teams within three months after the Competition. No individual Team

member's scores will be distributed.

4. **NO videotaping, audiotaping, cell phones, and other visual aids.** Videotaping, audiotaping, cell phones and other electronic devices, except for the computers used to access the virtual online rounds, are prohibited during oral arguments. Visual aids are prohibited during oral arguments. All rounds will be recorded for our purposes; the recordings will not be made available. Cell phones may be used only for technology and Zoom issues that may arise.
5. **Final round recording** will be made available online.

### **RULE VI. FACULTY OR OTHER ASSISTANCE**

No Team shall receive assistance prior to filing its brief, including research, writing or any aspect of preparing the brief. No Team shall receive assistance of any kind during an oral argument at the Competition or during any recess thereof. To maintain Team anonymity, coaches may not communicate with their Team during the oral arguments. Point deductions will be made, if upon request, it is determined that interference has taken place by a coach or faculty member.

### **RULE VII. PENALTIES**

- A. The Board may assess such penalties, including disqualification, as it deems reasonable and appropriate in its sole discretion for failure to comply with the Rules or deadlines set pursuant to these Rules and other rules made pursuant to Rule XI hereof.
- B. All briefs in the Competition shall be subject to uniform penalties for each type of violation; penalties may be levied in whole or fractional points.
- C. The Board shall maintain records of the penalties imposed pursuant to this Rule for at least six (6) months.

### **RULE VIII. ADDITIONAL RULES FOR 2022 HYBRID COMPETITION**
