

EXPLORE - GAIN INSIGHT - LEARN

educational sessions for you and your community

Our seminars for professionals are geared towards professional organizations and individuals that may come into contact with clients experiencing issues related to domestic violence, sexual assault, stalking, elder abuse and human trafficking. We inform on ways to identify and prepare in the event you encounter someone who may need our assistance. Additionally, we review accessible resources and provide best practices and practical approaches to use. These are available to varied organizations including social workers, medical staff, educators, library staff, senior activity centers, daycare staff, etc.).

.....
Seminars are available in "virtual" and "live" formats.
